

HANLUN HABITATS

METROPOLITAN SPLENDOR

Situated in the heart of Hong Kong, Hanlun Habitats present the best designs and quality of services.

Dedicated to serve residents

Hanlun's three core teams of friendly, motivated staff provide Customer Service, Housekeeping and Security to ensure all needs are met and sometimes exceeded. Their philosophy is to always put their residents first and to ensure a carefree and truly unforgettable experience for them.

Designed for individuals

Ranging from studios to two-bedroom apartments, Hanlun Habitats provide an efficient living and working environment that is tailor-made to every customer's needs. The thoughtful design blurs the distinction between a 5-star comfort zone and the residents' own home sweet home.

Connected to the world

Connecting Hanlun Habitats to the Central Business District, is an effortless 10-minute escalator ride through famous SoHo and Lan Kwai Fong with their numerous specialty restaurants and shops. As the business hub of Hong Kong, Central provides the best transportation network that takes residents to every destination by MTR, bus, ferry or airport express.
